

MAD MARCH HARES: needlefelting workshop

with Sue Wilson

£50, including all necessary materials

Friday March 15th 2019

Register from 10:30am, course runs 11:00am – 4:00pm

A craft teacher in the community for many years, Sue now focuses mainly on needlefelting using wool from her own sheep to create animal models such as hares, badgers, otters and dogs. Needlefelting is great fun and truly accessible to all. It is a hobby that costs little, takes up little space, creates little mess, uses natural materials, requires a minimum of equipment and is very portable.

Sue is struck by just how therapeutic her students find it and how delighted they are with the creativity it unleashes in them.... not to mention their pride in the creature they take home.

So, have a go, and celebrate the coming of spring by creating your own, unique Mad March Hare.

This workshop is suitable for beginners and experienced needlefelters alike.

All the materials and equipment necessary for making your hare are provided in the cost of the workshop. Bags of wool and kits of needlefelting basics will be on sale if you wish to further develop your new skill at home.

BOOKING FORM

(one participant per form, please)

Your name			
Address
